

Materials

- 1 Virus Card
- 1 Foldable Virus Card
- 4 Base Cards
- 40 Pixel Art Cards
- 16 Paper Counters

Getting Started

1) 3-4 Players place their Base cards around a Virus card.

2) Shuffle the Pixel Art cards and place them face down anywhere you like to form the draw pile.

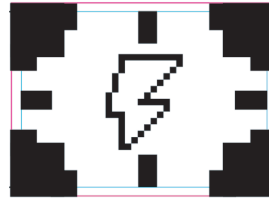

3) Each player draws 5 cards and matches 2 according to the rules.

4) After a turn, discard matched cards, adjust the Virus/counters accordingly, and draw 2 cards from the draw pile.

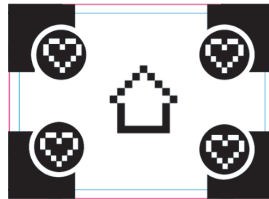

5) Play until one player, the survivor, remains.

6) The survivor may toss the Virus across the room if they so wish.
